JSS Guiding Principles

**Customer-
Focused**

Ease of Use

**Leverage
Technology**

Data-Driven

MISSION

VISION

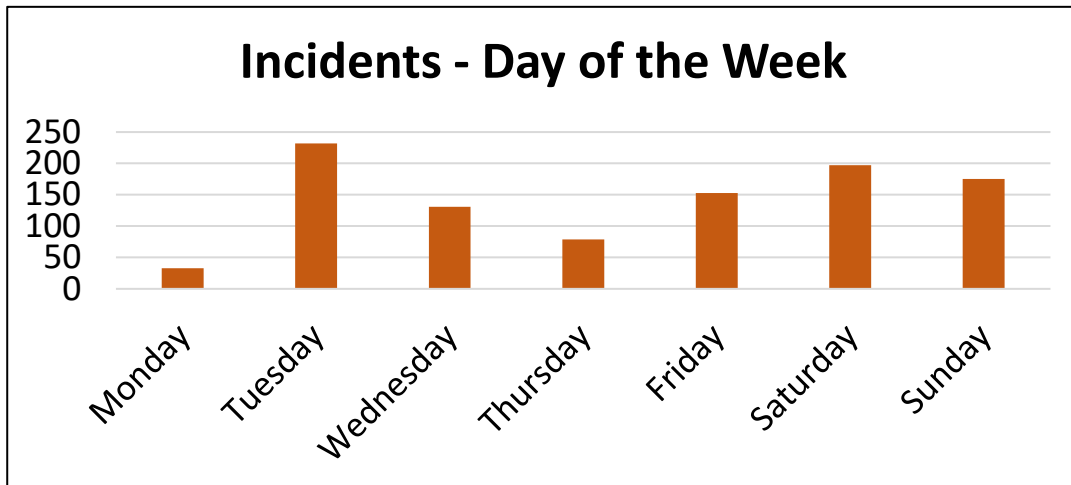

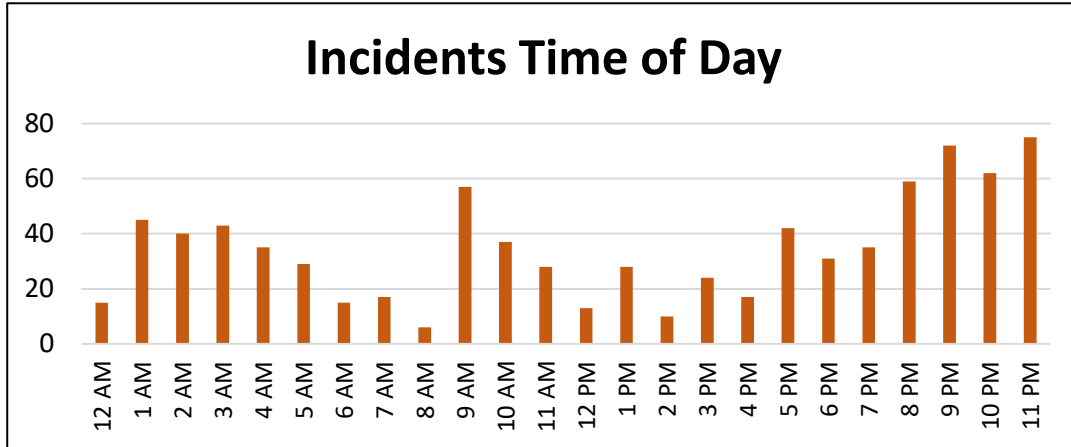

VALUES

What is Hot Spots Policing?

- Hotspot – a small area with high crime concentration
- Usually, a specific address or street segment.
- Goal: reduce overall crime by targeting hotspots individually
- JSS can assist with deeper implementation

Finding Hotspots

1. Identify calls for service and incident data
2. Analyze to find frequented locations and criminal activity
3. Analyze high crime days of the week and times of the day
4. Map areas
5. Provide instructions to officers on times, days and target crime

How to respond?

Directed
Patrol: 2–3
random
visits/shift

Use SARA
and
problem-
solving

15 minutes
per visit

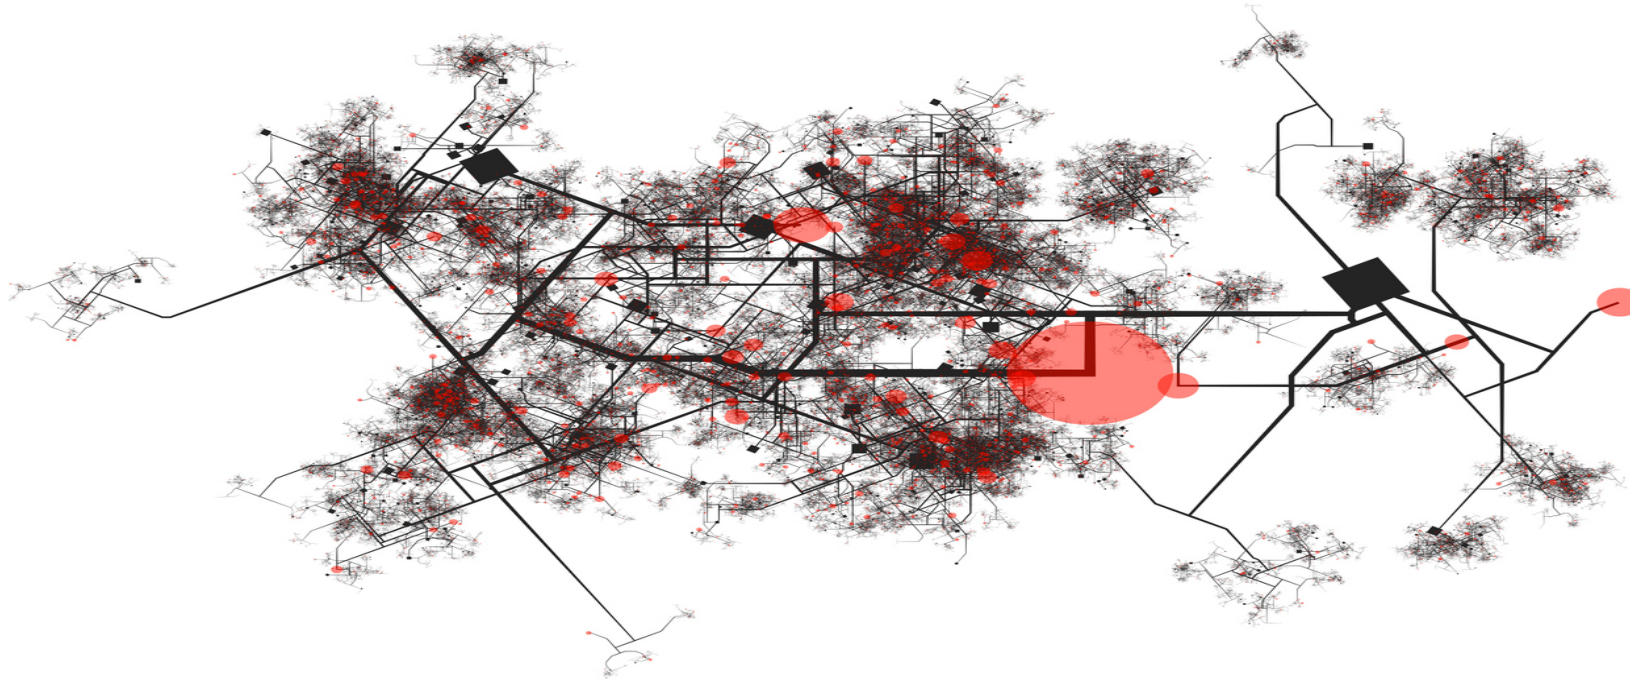

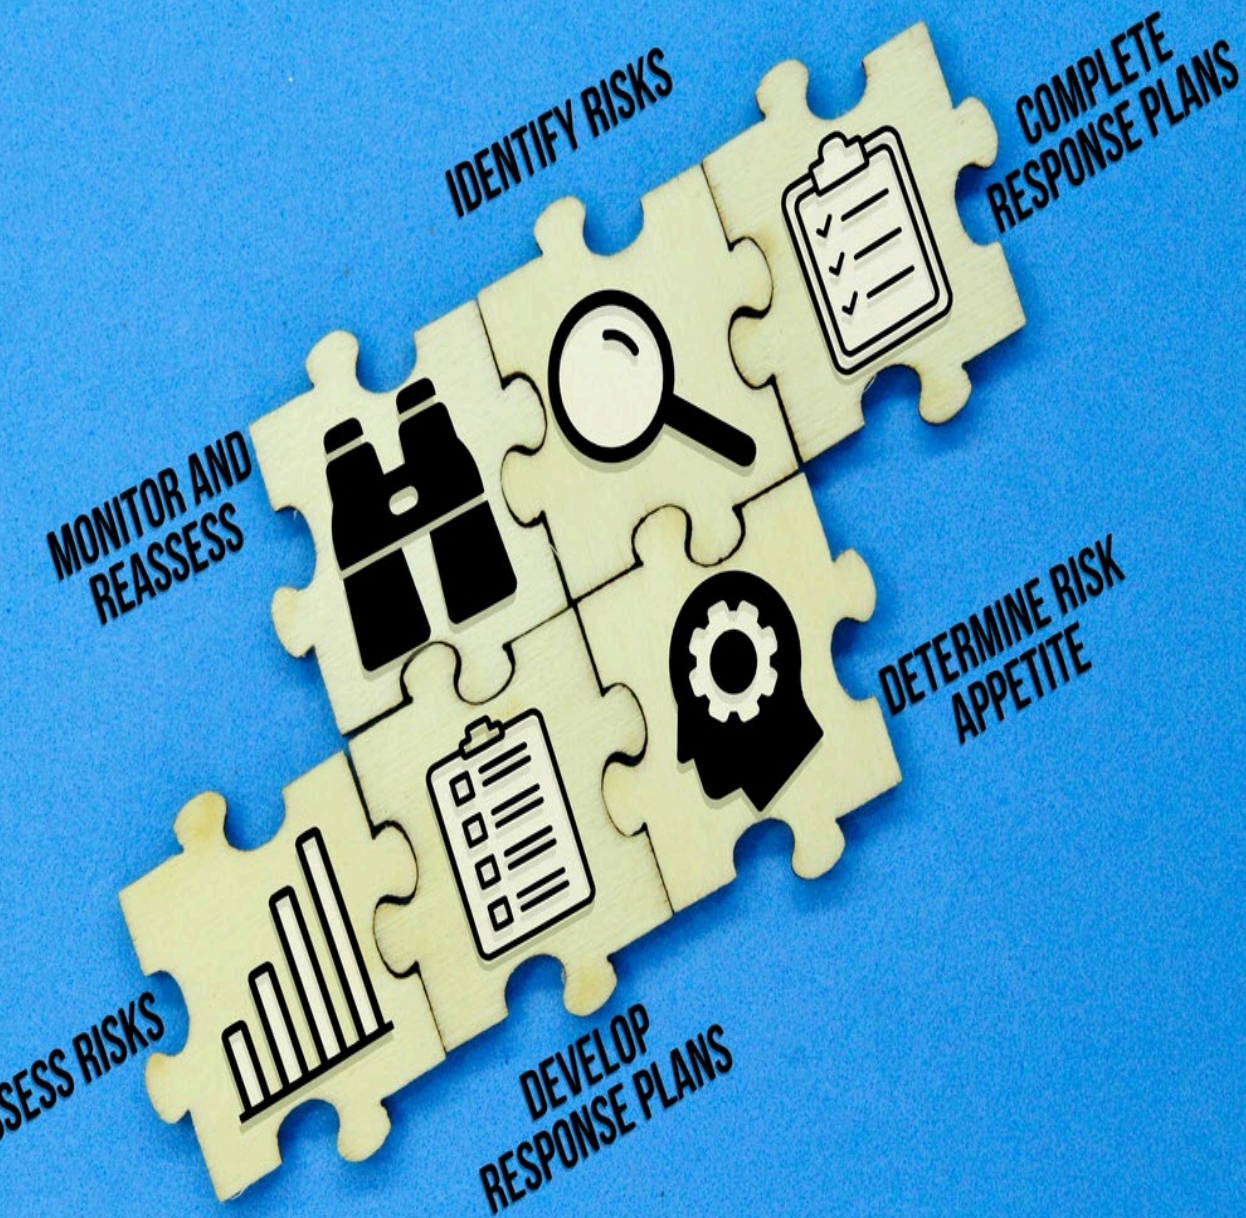

Using SARA

Scan + Analyze

Understand causes

Crime, timing, people

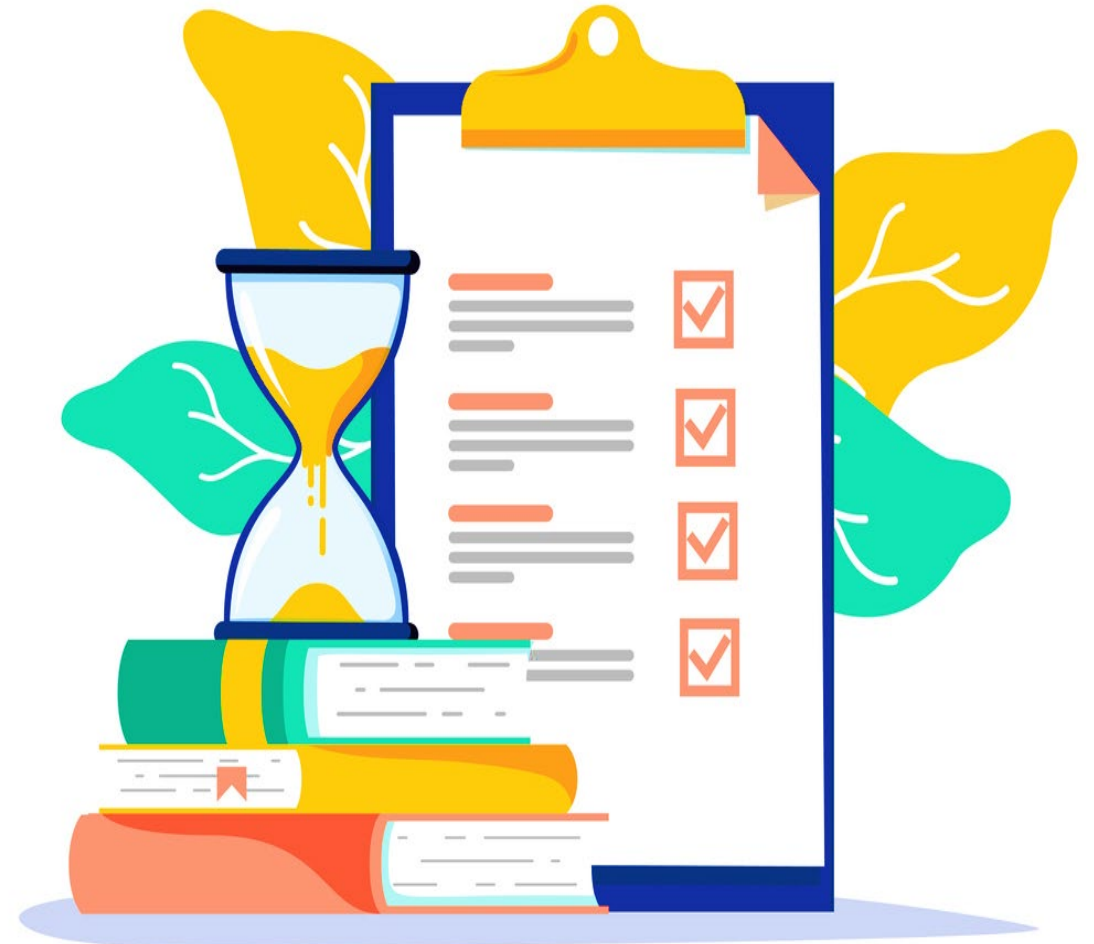

Response

- Evidence-based responses
 - Robbery → CPTED (lights, visibility, cameras)
 - Shootings → Outreach + deterrence
- Engage the community

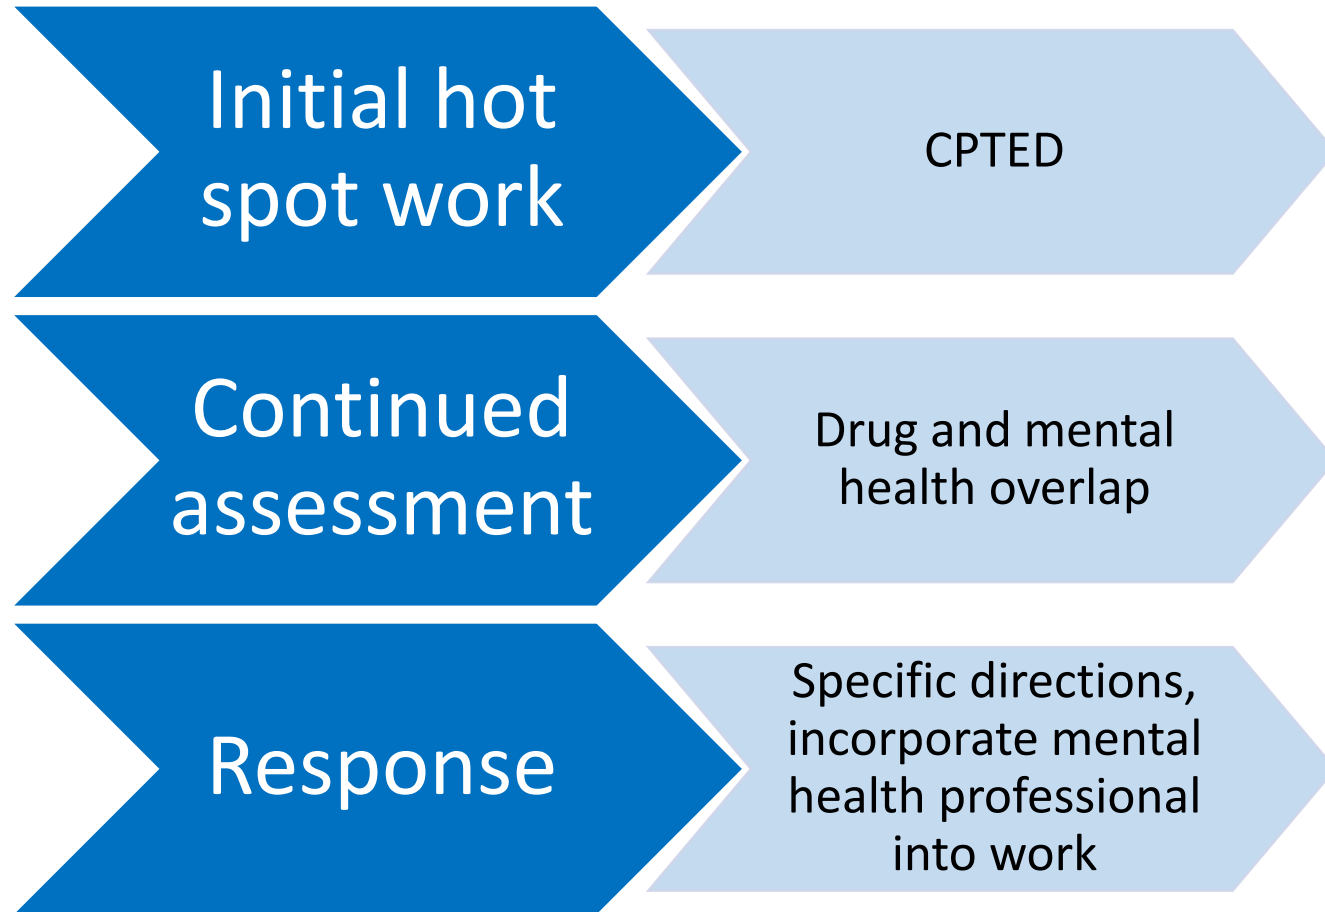

Assessment

- Track patrol activity in hotspots
- Review daily and supervise
- Continually evaluate crime trends and community feedback
- Consider partnering with experts
